

# Permanent Farm Labourer

## Who we are:

Array Farms is a progressive family farming operation seeking an experienced full time farm labourer for a permanent position. We are seeking someone who has experience and passion for agriculture!

Our mission is to focus on ethical and profitable grain production on the Canadian prairies. Utilizing modern farming equipment and technology, we grow wheat, canola, barley, and oats. The farm is in west central Saskatchewan, 20 minutes from North Battleford.

## Position:

Under the direction of the Farm Manager, the ideal candidate is responsible for various field operations, yard site maintenance, and basic equipment maintenance. This includes all aspects involved in the grain, yard, seeding and harvest operations, including day-to-day organization of tasks and experience using GPS/rate controller technology.

## Who you are:

The ideal candidate has a minimum of 2 years of operational experience and can perform basic maintenance on tractors, augers, air seeders, harrows, pumps, sprayers, swathers, semis, combines, grain cart, and grain vacuum. They will be comfortable cleaning bins, mowing grass, spraying weeds around yard sites, and following instructions. They have a positive attitude, enjoy working as part of a team, and effectively take direction from farm leadership.

A valid driver's licence is required. Abstract may be requested. Class 1A licence is not required but is preferred. The individual must be able to work outdoors in a variety of weather conditions, be able to lift 50lbs, be able to reach and bend, and sit for prolonged periods of time.

\*Safety and efficiency are of utmost importance and must be considered in all decisions\*

Array Farms offers a competitive salary, workers compensation, and optional living quarters just one mile from the main farmyard. Foreign applicants who possess a Canadian Work Permit or Permanent Residency are welcome to apply. The ideal start date is April 25.
